## Young Event Horse Committee

Reports to: VP Membership and USEA CEO

To oversee and regulate an annual national talent competition for prospective event horses, aged 4 and 5 in order to stimulate the breeding and development of ideal horses for the sport. While horses useful at all levels of eventing will take part, the primary goal is to identify talent and disposition that could result in successful international-level eventing mounts for the United States. An ongoing commitment is to work toward continuous improvement of this competition by verifying the validity of the YEH scoring system, educating its judges and exhibitors, and measuring the accuracy of the outcomes by means of long term follow up of those horses who reach qualification for and compete at the national YEH championships. Whenever possible, the program will take advantage of expert judges and riders from all nations to provide ongoing educational programs for the U.S. breeders, owners, trainers, and riders of horses intended for use in the sport of three-day eventing.
